Welcome,

Thank you for your interest in volunteering with Clay County Habitat for Humanity. We are always in need of eager, caring individuals to help us with the many tasks it takes to build a home for a family. From swinging a hammer to bringing a lunch, your talents and skills are needed. Clay County Habitat for Humanity strives to eliminate substandard housing in Clay County, Florida by building and renovating safe, decent and affordable housing in partnership with the community and God's people in need.

Attached are the following forms:

General Volunteer Information Sheet – for all construction volunteers

Waiver of Liability – all volunteers are required to sign this form annually. Please note that volunteers under the age of 18 need a parent's signature as well.

We also have volunteer opportunities in our Home Improvement Restore located at 1717 Blanding Blvd. in Middleburg. If you are interested in volunteering at this location please contact us at 904-282-7590 to be scheduled.

We require all volunteers requesting to get credit for Community Service hours to contact our Volunteer Coordinator in advance so that we can be sure all the necessary paperwork is completed.

We look forward to working with you and remember it is only by working together that we can truly make a difference.

In community partnership,

Kathy Quigley
Volunteer Coordinator
